

<MUSE: Here is the text for the Fedden et al. supplemental files HTML page. >

101.2.fedden01_supp01.pdf

[Download PDF file] Supplementary materials

This PDF provides the following supplementary materials:

- §1: Model comparisons
- §2: A list of all predictors and their values
- §3: A list of changes to the CELEX database (none of which led to significant differences in the results)
