★☆☆☆☆ **Unsatisfactory**

regret buying this, it just rubs me all the wrong ways! Out of the box, the mouse was smaller than I had expected. This was not what I would call "full sized," at least in comparison to my other mice I've been using. Plus the plug of this mouse is not well made. Looks like cheap material. Sometimes my computer says it is there but the mouse does not work. So the other day I called the customer service center but they weren't helpful. I think they kept me on hold for almost 20 mins or so. I didn't expect such poor service from brand like this. Now even color looks ugly too...
