Please rate the following choices in terms of how natural you believe they are. The scale runs from 0, which is completely unnatural, to 100, which is completely natural. For this scale and all scales with a slider, you must move the slider for your answer to register. Even if you want your answer to be 50, you still have to move the slider away and back to 50 for your answer to count.

How natural are the following items?

_____ **nat.scale.tree.** A tree on a mountain peak in the Andes that has never been climbed

_____ **nat.scale.egg.** A hard boiled egg

_____ **nat.scale.pistol.** A plastic toy model of a pistol

The tree should get a rating at or near 100, the plastic toy model of a pistol should get a rating at or near zero, and the egg should get a rating somewhere in between. Please check to make sure this is true for your ratings, and if not, think a bit before going on.

How natural are the following?
