This survey is being conducted on behalf of a team at Cardiff University's Wales Governance Centre and is funded by the UK's Economic and Social Research Council (ESRC). It is part of a research project focusing on political attitudes in Wales around the devolved election that will take place on the 6th of May 2021. The resulting data will be used in academic publications and related presentations.

Your participation is voluntary. Your YouGov Account will be credited with 150 points for completing the survey. We have tested the survey and found that, on average it takes around 20 to 25 minutes to complete. This time may vary depending on factors such as your Internet connection speed and the answers you give.

Only anonymised data will be passed from YouGov to the researchers. An anonymised data set will also be placed in the ESRC data archive for other researchers to analyse.
