

Questionnaire of "Online networking event"

Thank you for your interest in this questionnaire.

Please read the following instructions regarding this questionnaire carefully and answer your questions if you agree.

1. About this questionnaire

We aim to find the usefulness of "online networking event" for psychiatrists and the factors that make them efficient.

The online networking event mentioned an event that allows participants to interact interactively, such as in small group work. Do not include only take one-sided lectures in online.

2. Methods

We ask a psychiatrist related to JYPO for this questionnaire.

You are free to answer this survey, and there is no disadvantage to you if you do not answer.

This survey will be conducted from February 13th to 28th, 2021.

3. Principle of personal information

Data including personal information related to this research will be handled only by the "JOIN" meeting research committee and will be anonymized.

We hope that this research will help consider better future online networking event.

Thank you for your cooperations.

If you have any questions or concerns regarding this survey, please contact us at this email address.
