Subject: URGENT - Your Package Could Not Be Delivered

Categories: CAUTION - External Email

Immediate Action Required!

Your shipment **could not** be delivered as it requires a signature. Please select a delivery time below or your shipment will be returned.

[Choose delivery time here](#)

For areas with a standard Saturday commitment time of noon, deliveries will be made by 1:30 p.m.

Due to heavy shipping volume, US is making an operational adjustment. We will relax the US Next Day Air service delivery commitment by 90 minutes.

- For areas with a standard Saturday commitment time of 1:30 p.m., deliveries will be made by 3:00 p.m.
- US Next Day Air Early A.M. commitment times will also be relaxed by 90 minutes. Delivery commitment times vary by destination ZIP code.

Resources

To receive information on your packages via email or text, use the Request Status Updates feature when tracking your shipment's progress on [our website](#). Simply track your shipment and select **Request Status Updates** to be notified when the status of your package has changed.
