

Supplemental Figure 2. Median-joining network displaying the relationships between the newly obtained sequences and the previously published archaeological (Manin et al. 2018; Speller et al. 2010) and modern (Canales Vergara et al. 2019; Luchini et al. 2001; Mock et al. 2001, 2002; Monteagudo et al. 2013; Padilla-Jacobo et al. 2018; Szalanski et al. 2001) sequences obtained from GenBank. In this model, missing bases have been ignored.
