

<b>variable</b>	<b>label</b>
elf	Ethnic fractionalization
church	Religious fractionalization
proprietary	Dummy for proprietary colony
charter	Dummy for charter colony
royal	Dummy for royal colony
drop_observations	Variable to drop observations (see text)
yearcleanup	Year
statecleanup	Colony full name
concat	Concatenation year and statecleanup
colony	Colony abbreviation
colony_numerical	Colony numerical value
latitude	Latitude
region	Region
north	Dummy for north region
middle	Dummy for middle region
lowersouth	Dummy for lower south region
uppersouth	Dummy for upper south region
density	Population density
bldg_wages	Wages without interpolation
perc_landless	Inequality without interpolation
urbanpop_total	Total urban population
urbanization	Urbanization
population	Population
perc_black	Labor (percent black)
restrictions_all_racial_max	Suffrage
restrictions_dinkin_racial_max	Suffrage Dinkin
freeman	Restriction for being a freeman
land_formalpatenting	Restriction for having one's land formally patented
particular_status	Restriction for being of a particular status, e.g. son of a freeholder
oath	Restriction for taking an oath
property_income	Restriction for having property or income
householder	Restriction for being a householder

freeholding	Restriction for having a freehold
min_freeholdingproperty	Restriction for having minimum freeholding or property
tax	Restriction for paying tax
felon	Restriction for not being a felon
family_restriction	Restriction for having a family
residency	Residency restriction
good_person	Restriction for being a person of good character
religion	Religious restriction
race	Racial restriction
slave_price	DROP
slave_sugar_price	DROP
uk_wages	Wages in England/Britain (index, 1913=100)
binary_indicator	Dummy equal to 1 when year is after 1700, 0 otherwise
region_broad	Region_broad
slaveprice_carib	Slave prices in the Caribbean (English pounds sterling per slave, constant prices)
bldg_wages_new	Wages with interpolation
perc_landless_new	Inequality with interpolation
price_wheat	Price of wheat, English pence per pound
price_tobacco	Price of tobacco, English pence per pound
price_rice	Price of rice, English Pence per pound
price_wheat_cpi	Price of wheat, adjusted for US-wide CPI (starts in 1665)
price_tobacco_cpi	Price of tobacco, adjusted for US-wide CPI (starts in 1665)
price_rice_cpi	Price of rice, adjusted for US-wide CPI (starts in 1665)
colony_num	Colony abbreviation
colony_d1	colony==CT
colony_d2	colony==DE
colony_d3	colony==GA
colony_d4	colony==MA
colony_d5	colony==MD
colony_d6	colony==ME
colony_d7	colony==NC
colony_d8	colony==NH
colony_d9	colony==NJ

colony_d10	colony==NY
colony_d11	colony==PA
colony_d12	colony==RI
colony_d13	colony==SC
colony_d14	colony==VA
rice_wheat_40_low	Crop Index (40 per cent tobacco/rice suitability cutoff)
rice_wheat2_40_low	Crop Index (40 per cent tobacco/rice suitability cutoff), lagged
rice_wheat_20_low	Crop Index (20 per cent tobacco/rice suitability cutoff)
rice_wheat2_20_low	Crop Index (20 per cent tobacco/rice suitability cutoff), lagged
rice_wheat_60_low	Crop Index (60 per cent tobacco/rice suitability cutoff)
rice_wheat2_60_low	Crop Index (60 per cent tobacco/rice suitability cutoff), lagged
rice_wheat_40_low_noavg	Helper variable to calculate Crop Index averages
factor_pca_max	Suffrage calculated using principal component analysis
restrictions_binary	Suffrage transformed into a dummy variable (see text)
