

Structural and functional brain changes in delusional disorder

By: Vicens V, Radua J, Salvador R, Anguera-Camós M,
Canales-Rodríguez EJ, Sarró S, Maristany T, PJ McKenna, Pomarol-Clotet E

Table DS1 Demographic and clinical features of the patients with delusional disorder

Age (years)	Sex (M/F)	Duration of illness	Type of belief	Referential delusions	Depressive symptoms	Other symptoms
55	F	10 years	Persecutory	Yes	No	Morbid jealousy
54	F	9 years	Persecutory	Yes	Yes ¹	-
38	M	2 years	Persecutory	No	No	-
32	M	7 years	Persecutory	No	No	-
41	F	7 years	Erotomantic	Yes	Yes	Anxiety with autonomic accompaniments
36	M	18 years	Persecutory	Yes	No	-
36	F	4 months	Hypochondriacal (infestation)	No	No	Taste in mouth and bodily sensations related to belief about illness / infection
52	F	17 years	Persecutory	Yes	Minor only	-
58	M	9 years	Persecutory	Yes	Yes	-
52	F	10 years	Persecutory / jealous	Yes	No	Morbid jealousy
51	F	5 years	Persecutory / erotomantic	Yes	Yes ¹	Delusion of presence, hypnopompic hallucinations
47	M	3 months	Persecutory	Yes	Minor only	Heard brief phrases on two or three occasions
32	M	4 years	Persecutory	No	Minor only	Felt mental and physical symptoms of 'poisoning'
32	M	4 years	Persecutory	Yes	Yes	-
35	M	17 years	Persecutory	Yes	Minor only	-
56	M	2 years	Persecutory	Yes	No	Felt as if he was the lead character in a film. Thought people on street could somehow read his thoughts
28	F	5 years	Persecutory	Yes	Minor only	Heard people talking outside her block of flats, could make out words like her name 'whore', and 'I'm going to kill you'
28	F	5 years	Persecutory	Yes	Minor only	Lability of mood, ritualistic behaviour
55	M	6 years	Persecutory	Yes	No	-
57	F	9 years	Persecutory	Yes	No	On two occasions heard neighbours three floors above saying things like 'you should be in charge of her'; for a period thought she smelt and people were avoiding her
54	F	12 years	Persecutory	Yes	Yes	-
63	F	26 years	Jealous / persecutory	Yes	Yes ¹	-

¹Met criteria for major depression at some point based on lifetime structured psychiatric interview.
