

# A New Wave of Social Democracy? Policy Change across the Social Democratic Party Family, 1970s–2010s

Published in *Government and Opposition*

Rob Manwaring and Josh Holloway

## Appendices

### Appendix A - RILE index: MARPOR issue variables

| Left-wing policy variables | Right-wing policy variables    |
|----------------------------|--------------------------------|
| Anti-imperialism           | Military: positive             |
| Military: negative         | Freedom and human rights       |
| Peace                      | Constitutionalism: positive    |
| Internationalism: positive | Political authority            |
| Market regulation          | Free market economy            |
| Economic planning          | Incentives: positive           |
| Protectionism: positive    | Protectionism: negative        |
| Controlled economy         | Economic orthodoxy             |
| Nationalisation            | Welfare state limitation       |
| Welfare state expansion    | National way of life: positive |
| Education expansion        | Traditional morality: positive |
| Labour groups: positive    | Law and order: positive        |
| Democracy                  | Civic mindedness: positive     |

Note: RILE scores are calculated by subtracting the total salience of 'left' variables from the total salience of 'right' variables

## Appendix B. Left-right policy distance: social democrats and right-wing competitors

| Mean left-right distance by decade: SDs and RWPs |       |       |       |       |       |       |       |       |
