CORRIGENDUM

Sound propagation in slowly varying lined flow ducts of arbitrary cross-section.

By S. W. Rienstra

Journal of Fluid Mechanics, vol. 495 (2003), pp. 157–173

In equation (49) on page 166 of this paper, which gives the main result, there is sign error: the minus sign between the two integrals in parentheses should be a plus sign. Thus the corrected equation (49) is

$$\frac{Q^2}{N^2} = \frac{\omega\sigma D_0}{C_0} + \frac{D_0^2\Omega U_0}{\mathrm{i}\omega}\left(\oint_{\partial\mathcal{A}_2}\frac{1}{Z_2}\psi_n^2\,\mathrm{d}\ell + \oint_{\partial\mathcal{A}_1}\frac{1}{Z_1}\psi_n^2\,\mathrm{d}\ell\right).$$
