

Assessing national-level provision of conservation capacity building: lessons learnt from a case study of Kenya

MARK O'CONNELL, AMY DONNISON, KENNY LYNCH and RACHEL BENNETT

SUPPLEMENTARY TABLE 1 The 11 variables (not including items marked as Other, None, Not specified, No information or Not applicable) used to categorize online information about capacity-building initiatives.

Theme	Category	Subcategory
Type of capacity	Soft skills	Collaboration/networking
		Communication/negotiation
		Entrepreneurship
		Financial management/grant writing
		Leadership
		Legal capacity
		Management
		Policy/advocacy
		Research/project design
		Teaching/training
	Technical skills	Data collection/processing technology
		Ecological survey techniques
		Geographical information system
		GPS
		Laboratory methods
		Practical land management & restoration
		Practical wildlife management & handling
		Remote sensing
		Statistics
		Wildlife crime investigation methods
	Conservation knowledge & understanding	Botany
		Conservation
		Ecology
		Environmental management
		Wildlife/environmental crime & law
		Wildlife/environmental policy
		Wildlife health/epidemiology
		Wildlife management
	Zoology	
	Other	Other
		Not specified
		No information
	Delivery method of capacity-building initiatives	Bachelor of Science
Bachelor of Technology		
Certificate courses		
Conferences/symposia		
Diploma courses		
Doctorate		
Internships		
Master of Science		
Seminars		

		Specialist courses
		Technology transfer
		Training session
		Workshops
		Other
		Not specified
		No information
		Not applicable
Organization/institute delivering capacity-building initiatives		Academic institution
		Charitable trust
		Consultancy
		Government agency/state corporation
		Individual(s)
		International NGO
		Local NGO
		National NGO
		Research institute
		Other
		No information
		Not applicable
Organization/institute overseeing capacity-building initiatives		Academic institution
		Charitable trust
		Consultancy
		Government agency/state corporation
		Individual(s)
		International NGO
		Local NGO
		National NGO
		Research institute
		Other
		No information
		Not applicable
Course titles for academic courses		Biological sciences
		Botanical sciences
		Conservation & environmental/wildlife management
		Conservation biology
		Ecological sciences
		Environmental management
		Environmental sciences
		Forestry
		Wildlife management
		Zoological sciences
		Other
		No information
	Not applicable	
Direct beneficiaries of capacity-building initiatives		Community/tour guides
		Company staff
		Early-career conservationists
		Government staff

		Graduates/postgraduates Local community-based organization staff Members of the criminal justice system NGO staff Researchers Teachers of conservation/environmental courses University students Vets Wildlife officers/park rangers Wildlife scouts Other Not specified No information Not applicable
Country where direct beneficiary is from/works		Algeria, Angola, Benin, Botswana, Burkina Faso, Burundi, Cameroon, Comoros, Democratic Republic of the Congo, Djibouti, Eritrea, Ethiopia, Indonesia, Kenya, Madagascar, Malawi, Morocco, Mozambique, Namibia, Niger, Nigeria, Rwanda, Sierra Leone, Somalia, South Africa, South Sudan, Sudan, Tanzania, Uganda, Viet Nam, Zambia, Zimbabwe
Organization/institute direct beneficiary is affiliated with		Academic institution Research institute Charitable trust Local NGO National NGO International NGO Local community-based organization Government agency/state corporation Other No information Not applicable
Organizational/institutional beneficiaries		Academic institution Charitable trust Company Government agency/state corporation International NGO Local community-based organization Local NGO National NGO Research institute Wildlife conservancy Other Not specified No information Not applicable
Type of conservation		Biodiversity conservation Ecological restoration Protected area management Sustainable management of natural resources Other None

		Not specified
		No information
		Not applicable
Frequency & history of capacity-building initiatives		One-time & ongoing
		One-time & past
		Recurrent & ongoing
