Query to LVN/RN

1. Tell us what a “picture-perfect” line looks like:

2. How often should central line dressings be changed? Every shift Daily Twice a week Weekly Every two weeks

3. How often should you assess the central line insertion site? Every shift Daily Twice a week Weekly Every two weeks

4. What would you do if you found signs of infection (redness or pus) around the central line insertion site?

5. What would you do if the central line dressing were soiled?

6. What would you do if the central line dressing were peeling?
