

Trajectories of faithfulness in child-specific phonology

Michael Becker

Harvard University

Anne-Michelle Tessier

University of Alberta

Supplementary materials

Files containing an R script and simulation Perl scripts can be found [here](#). The materials require R and Perl, available at <http://www.R-project.org> and <http://www.perl.org>.

The data sets for the statistical analyses and all the charts in this paper are available in the following files:

[trevor_complex_onsets.csv](#)

[trevor_harmony.csv](#)

Data for the computational implementation of the analysis in the paper are available in the following files:

[sim.harmony.TVK.csv](#)

[sim.onsets.csv](#)

The files may be used freely; their use in any publication should be acknowledged, as should Compton & Streeter (1977) and Pater (1997).

For access to the entire Trevor corpus, or files associated with previous versions of this work, please contact the authors:
