

Erratum

Evaluating uncertainty in measurements of fish shoal aggregate backscattering cross-section caused by small shoal size relative to beam width

Noël Diner^a

Ifremer, Centre de Brest, BP 70, 29280 Plouzané, France

Aquatic Living Resources 20, 117–121 (2007), DOI:10.1051/alr:2007022

The correct Eq. (1), page 117 of the article, is provided below:

$$\sigma_{\text{ag}} = \sum^{\sigma_{\text{bs}}} \sigma_{\text{bs}} \quad (1)$$
