	First I wil	ll be asking	you a few	questions ab	out yourself	and the sch	iool.			
1.	What	is your posi	tion at the s	chool? (Circ	ele one answ	er)				
		Principal		Assistant P	rincipal	Faci	lities Manag	ger	Other	
		Other (ple	ase specify)	·						
2.	How le	ong have yo	ou been in y	our position	at the school	ol?				
3.	In wha	what year was your school built?								
4.										
			Yes		No		Don't Kr	now		
	4a. If	yes, when a	and where d	lid these ren	ovations tak	e place?				
_										
5.	How n	nany studer	its are enrol	lled in your s	school?					
	School D	rinking Wa	ater Availa	bility						_
	Now I wo	ould like to	ask vou sor	ne auestions	about drink	ing water a	vailable at y	our school		
			•	•		C	•		om4a Con	
6.					mg sources on the where are the		water avail	able to <b>stud</b>	ents for	
	specified	location. Re	mind respon	dent that we a	are asking abo	out sources tl	is available for hat are provid he answer (i.e	ed for free du	ring the scho	ol
	1 :	= Yes		$2 = N_0$		3 =	Don't Knov	W	4 = N/A	
		1) Non- refrigerated unfiltered drinking fountains	2) Non- refrigerated filtered drinking fountains	3) Refrigerated unfiltered drinking fountains	4) Refrigerated filtered drinking fountains	5) Individual sized water bottles	6) Large water bottles (like Alhambra in office buildings)	7) Pitchers, coolers, dispensers, or hydration stations	8)Vessels for water (e.g., reusable water bottles, cups)	9) Other (e.g., sinks)
Any?										
a) Foo	od service									

**School/Participant Characteristics** 

b) Gym or other indoor areas where students are physically active

	1) Non- refrigerated unfiltered drinking fountains	2) Non- refrigerated filtered drinking fountains	Refrigerated unfiltered drinking fountains	A) Refrigerated filtered drinking fountains	5) Individual sized water bottles	`	7) Pitchers, coolers, dispensers, or hydration stations	8)Vessels for water (e.g., reusable water bottles, cups)	9) Other (e.g., sinks)
c) Athletic fields, blacktop or other <i>outdoor</i> areas where students are physically active d) Classroom									
e)Temporary structures (e.g., trailers, modular buildings) f) Hallways or other common areas									

7. How many drinking fountains are in your school?	
--	--

*Note to interviewer:* Please include in this count water fountains throughout the school campus including in classrooms and temporary structures. If multiple fountains are attached (e.g., a water fountain with three drinking spouts; two water fountains attached and staggered at different heights) please count each drinking spout separately.

)
---

8. Does your school have any of the following sources of **drinking water** available to **teachers** for **FREE** in the teachers' lounge? (Write the number code corresponding to the answer in each box)

1 = Yes 2 = No 3 = Don't Know 4 = N/A

	1) Non-	2) Non-	3)	4)	5)	6) Large	7) Pitchers,	8)Vessels for	9) Other

	1) Bottled water	2) Bottled Water that is	3) Sports Drinks	4) Other sugar
	without flavors,	flavored, fortified, or	(e.g., Gatorade,	sweetened beverages
	fortification, or	sweetened (e.g., Vitamin	Powerade)	(e.g., soda)
	sweeteners (e.g.,	Water, Aquafina Flavor		
	Aquafina, Dasani,	Splash, Dasani Flavor)		
	sparkling water)			
Teachers'				
lounge				

10. Does your school have any of the following sources of **bottled water** available to **students** for **PURCHASE** during the school day in the following areas? (Write the number code corresponding to the answer in each box)

1 = Yes 2 = No 3 = Don't Know 4 = N/A

	1) Bottled water without flavors, fortification, or sweeteners (e.g., Aquafina, Dasani, sparkling water)	2) Bottled Water that is flavored, fortified, or sweetened (e.g., Vitamin Water, Aquafina Flavor Splash, Dasani Flavor)	3) Sports Drinks (e.g., Gatorade, Powerade)
Any?			
a) Food service area			
b) Gym or other indoor areas where students are physically active			
c) Athletic fields, blacktop or other outdoor areas where students are physically active			
d) Classroom			
e) Temporary structures (e.g., trailers, modular buildings)			
f) Hallways or other common			

area	ıs						
11.	Where can	students purchase	e bottled water?	(Circle on	ne answe	er per row)	
				Yes	No	Don't Know	
	a. Vending	g Machines		1	2	3	
	b. School	Store		1	2	3	
	c. Cafeter	ia		1	2	3	
	d. Other_			1	2	3	
The Who	next few quen we use the imilar kind cool.  We will as	e word "policy" in of mandate issued k you whether yo	bout policies and this question by the local sclut have policies	nd practices naire, we m hool board,	s related lean any district	to drinking water programs, rule, regulation	
	box)	_	·				
	1 = <b>Y</b>	es	$2 = N_0$		$3 = D_0$	n't Know	
					1)]	Is there a higher level	2) Regardless of a policy

	1) Is there a higher level <b>policy</b> (e.g., federal, state, district, school board levels) requiring that you	2) Regardless of a policy, at your school do you
Drinking Water Quality		
a) Flush all drinking water outlets (e.g., fountains, cafeteria sinks) after a period of nonuse (e.g., overnight, weekends, holidays)		
b) Test all drinking water outlets for contaminants (e.g., lead, arsenic, etc.).		
If <b>yes</b> , what is the frequency?		
c) Train staff about water testing programs and procedures		
d) Make drinking water testing results available to parents and school staff		
Fountain Accessibility/ Maintenance	•	

	1) Is there a higher level <b>policy</b> (e.g., federal, state, district, school board levels) requiring that you	2) Regardless of a policy, at your school do you
e) Have a specified number of drinking fountains (e.g., specific fountain to student ratio, fountain to building ratio)		
f) Maintain drinking fountains (e.g., clean fountains, ensure fountains are functioning)		
Availability of Free Water and Water for Purchase		
g) Make <b>bottled water</b> available for purchase to students in places where students are active (e.g., gym, athletic fields, blacktop, outdoor areas)		
h) Make <b>bottled water</b> available for purchase to students at mealtimes in places where students eat		
i) Make <b>bottled water</b> available for purchase to students in hallways or other common areas		
j) Make <b>free water</b> available to students in places where students are active (e.g., gym, athletic fields, blacktop, outdoor areas)		
k) Make <b>free water</b> available to students at mealtimes in places where students eat		
l) Make <b>free water</b> available to students in hallways or other common areas		
m) Allow students to bring water to places where they learn (e.g., classroom)		
n) Other:		

13a. If respondent answered "no" to all policy questions: do you know why there are no water-related policies in place for your school?
