v3019: Abortion Opinion

There has been some discussion about abortion during recent years. Which one of the opinions on this page best agrees with your view on this issue?

1. By law, abortion should never be permitted
2. The law should permit abortion only in case of rape, incest or when the woman's life is in danger
3. The law should permit abortion for reasons other than rape, incest, or danger to the woman's life, but only after the need for the abortion has been clearly established
4. By law, a woman should always be able to obtain an abortion as a matter of personal choice
5. Other (please specify): [text]

v3063: Stem Cell Research

Some in Congress argue that this research may lead to cures for diseases and disabilities affecting large numbers of Americans, and should be funded. Others argue that a potential human life has to be destroyed in order to use these cells, and funding it would be unethical. What do you think? If you were faced with this decision, would you vote for or against federal funds for this research?

1. For (that is, funding the research)
2. Against

²This is collapsed into a three-point measure.

3. Don't know

v3027: Affirmative Action

4. Economy somewhat more important
5. Much more important to protect jobs, even if environment worse
6. Haven't thought much about this

v3069: Immigration

Another issue is illegal immigration. One plan considered by the Senate would offer illegal immigrants who already live in the U.S. more opportunities to become legal citizens. Some politicians argue that people who have worked hard in jobs that the economy depends should be offered the chance to live here legally. Other politicians argue that the plan is an amnesty that rewards people who have broken the law. What do you think? If you were faced with this decision, would you vote for or against this proposal?

1. For (offering illegal immigrants an opportunity to become citizens)
2. Against
3. Don't know
