VARIABLE	DEFINITION	REMARKS
Year	Year of attack; year attack was supposed to happen; year first arrests were made in the case.	In a few cases, the year plots were foiled has not been provided. For these cases, the plots have been registered as happening the year before the trials begun. This means that if a trial begun in 2016, the plot was registered as happening in 2015.
Launched	The attack was set in motion.	
Foiled	The attack was foiled.	
Failed	The attack did not materialize due to a critical mistake by plotter(s).	
Killed	Number of people killed in the attack, excluding the perpetrator(s).	
Foreign fighter	The plotter(s) is a person who has returned/travelled to Jordan after being in a conflict area outside the Kingdom.	
Obstructed foreign fighter	The plotter(s) had wanted but been unable to join jihadists abroad.	
Assistance from jihadists abroad	One or several plotters were sent by jihadist group abroad; jihadist group assisted with money; jihadist group sent/helped obtain weapons; jihadist group "remote-controlled" plotters.	
Plot linked to Islamic State	Plot linked to the organization known as the Islamic State.	This only applies to the period 2014-2018. Before 2014, the Islamic State was known under different names including al-Qaida in Iraq, Islamic State in Iraq, and Islamic State in Iraq and the Levant.
Plot linked to al-Qaida/al-Zarqawi	Plot linked to al-Qaida.	This includes al-Qaida central in Afpak as well as all of al-Qaida's official affiliates. It also includes plots linked to Abu Musab al-Zarqawi's group (outside Jordan) before he pledged allegiance to Osama bin Laden.
Linked to other jihadist groups abroad	Plot linked to other jihadist groups outside Jordan than al-Qaida and the Islamic State.
