

USDA, ARS, Foreign Disease- Weed Science Research Unit
Ft. Detrick, Maryland

Common name: Armenian Blackberry
Botanical name: *Rubus armeniacus*

Location: Lane Co., Oregon Fall Creek St. Rec. Area, Loc. 7
Latitude, Longitude: N 43.957319, W -122.755937

Cane type: Floricane
Herbarium Sheet #: 2015-2
Rust Disease, *Phragmidium violaceum* (Schultz) G. Winter
Symptoms on specimen: No
Symptoms in Field Population: No
Symptoms from Greenhouse Inoculation:
FDWSRU Isolate No.:
Related herbarium specimens:

Collection Date: July 15, 2015 Test Plant Accession No.: 071515-14
Collector: W.L. Bruckart, III Identifier: WLB
