

USDA, ARS, Foreign Disease- Weed Science Research Unit  
Ft. Detrick, Maryland

Common name: Armenian Blackberry  
Botanical name: *Rubus armeniacus*

Location: I-5 & Rt. 34 (East Thicket)  
Latitude, Longitude: N 44.55616, W -123.064301

Cane type: Floricane  
Herbarium Sheet #: 2013-21  
Rust Disease, *Phragmidium violaceum* (Schultz) G. Winter  
Symptoms on specimen: No  
Symptoms in Field Population: No  
Symptoms from Greenhouse Inoculation:  
FDWSRU Isolate No.:  
Related herbarium specimens: 2013-22, 2013-23

Collection Date: July 25, 2013 Test Plant Accession No.: 072513-1  
Collector: W.L. Bruckart, III Identifier: WLB
