

USDA, ARS, Foreign Disease- Weed Science Research Unit
Ft. Detrick, Maryland

Common name: Armenian Blackberry
Botanical name: *Rubus armeniacus*

Location: Langlois Store, Langlois, OR
Latitude, Longitude: N 42.92805, W -124.45031

Cane type: Floricane
Herbarium Sheet #: 2014-20
Rust Disease, *Phragmidium violaceum* (Schultz) G. Winter
Symptoms on specimen: No
Symptoms in Field Population: No
Symptoms from Greenhouse Inoculation:
FDWSRU Isolate No.:
Related herbarium specimens: 2014-32, 2014-33, 2014-34

Collection Date: July 15, 2014 **Test Plant Accession No.:**
Collector: W.L. Bruckart, III **Identifier:** WLB
