Appendix 1

Flow Chart Representing Participation Pathway

Epworth TBI rehabilitation admission August 2005 to April 2008 (n=334)

Eligible (n=221)

Completed Initial Assessment (n=141)

Completed 3-Month Assessment (n=100)
- Unable to be contacted (n=26)
- Still in hospital (n=10)
- Declined this assessment (n=1)
- Withdrew from study (n=2)
- Became ineligible (n=2)

Completed 6-Month Assessment (n=115)
- Unable to be contacted (n=16)
- Declined this assessment (n=3)
- Withdrew from study (n=1)
- Became ineligible (n=2)

Completed 12-Month Assessment (n=102)
- Unable to be contacted (n=22)
- Withdrew from study (n=9)
- Became ineligible (n=1)

Ineligible (n=113)

Eligible but did not participate (n=80):
- Refused (n=64)
- Unable to be contacted (n=12)
- Gave consent withdrew prior to completing initial assessment (n=4)

Epworth TBI rehabilitation admission August 2005 to April 2008 (n=334)

Eligible (n=221)

Completed Initial Assessment (n=141)

Continuing Participants (n=137)

Completed 3-Month Assessment (n=100)
- Unable to be contacted (n=26)
- Still in hospital (n=10)
- Declined this assessment (n=1)
- Withdrew from study (n=2)
- Became ineligible (n=2)

Completed 6-Month Assessment (n=115)
- Unable to be contacted (n=16)
- Declined this assessment (n=3)
- Withdrew from study (n=1)
- Became ineligible (n=2)

Completed 12-Month Assessment (n=102)
- Unable to be contacted (n=22)
- Withdrew from study (n=9)
- Became ineligible (n=1)

Continuing Participants (n=134)

Epworth TBI rehabilitation admission August 2005 to April 2008 (n=334)

Eligible (n=221)

Completed Initial Assessment (n=141)

Eligible but did not participate (n=80):
- Refused (n=64)
- Unable to be contacted (n=12)
- Gave consent withdrew prior to completing initial assessment (n=4)

Epworth TBI rehabilitation admission August 2005 to April 2008 (n=334)

Eligible (n=221)

Completed Initial Assessment (n=141)

Ineligible (n=113)
- Neurological Disorder (n=28)
- Inadequate Cognitive Function (n=24)
- Not an English Speaker (n=19)
- Other (n=12)
- Not residing in Australia post-discharge (n=11)
- <16 or ≥80 years old (n=7)
- Doctor or neuropsychologist deemed not appropriate (n=7)
- Severe psychiatric illness (n=5)
