Fig. DS1 Observed lithium blood levels in the perinatal period
Fig. DS2 Creatinine blood levels during the peripartum period

- Preconception
- Trimester 1
- Trimester 2
- Trimester 3
- Postpartum

**Creatinine blood levels (µmol/l)** vs **Peripartum period in days (delivery = 0)**
Fig. DS3 Correlation between lithium and corresponding creatinine blood levels

Dotted lines indicate upper thresholds for lithium and creatinine blood levels
